

Program: Attached & Unattached I-Cord

Instructor: Shari

Homework: Use fingering or sport weight yarn (do not use fluffy or furry type yarn), cast on 15 stitches using straight or circular needles and knit about 15 rows in either stockinette or garter stitch. Leave stitches on the needle and bring your knitted swatch to the meeting.

Supplies: Bring double pointed needles size 3 to 7 to use in class. If you don't have or don't want to bring double pointed needles, bring an extra circular needle. Also, bring extra yarn similar in weight to the yarn used to knit your swatch.
