

Program: JANE NEIGHBORS' REVERSED STRIPES

(Two-sided fabric with horizontal stripes on one side and vertical stripes on the other side, knitted using only one color per row.)

Instructor: Margot F.

Homework: With one color, cast on 15 stitches ($4n+3$). Knit a few rows of k1 p1 ribbing. Stop after a row that begins and ends with a knit stitch.

Materials: Two different yarn colors and double-pointed or circular needles (in order to begin rows from either end)
