

## **PROGRAM: Exploring I-cord**

**INSTRUCTOR: Karen M.**

**DESCRIPTION:** For our October program, we will explore I-cord by knitting a variation of an Elizabeth Zimmerman practice exercise! If you haven't made I-cord before, no problem! If you already know how to knit I-cord, you will learn how to create an I-cord edge on each of the 4 sides of your practice swatch..... cast on, knit in, bind off and applied. You will create a buttonhole loop and take home a cute little mug rug!

**MATERIALS:** Some worsted weight yarn and a set of size 7 or 8 double-pointed needles. (You may also use regular needles, straight or circular, DPNs are more fun!)
