

PROGRAM: "Sock?"

An overview of sock knitting, with a focus on the different types of heels you can knit.

If you have never knit a sock, this program will give you information to get you started: The basics, whether to knit top down or toe up, which heel types give the best fit, etc.

If you are an experienced sock knitter, you may learn about a type of heel or cast on method that is new to you!

INSTRUCTOR: Karen M.

HOMEWORK: None

MATERIALS: Bring some worsted weight yarn and some size 5 needles, DPN's or circulars. Bring a tape measure and wear easily removed shoes, pedicure optional!
