

PROGRAM: 10 Things Knitters Get Wrong

INSTRUCTOR: Brenda C.

Brenda will talk about mistakes knitters make with their knitting. We are not talking about mistakes like dropping a stitch or mis-crossing a cable, but things that have to do with managing your knitting. Things like choosing the right yarn, choosing the right pattern for your needs, matching the right yarn to the right pattern, etc. Brenda has made most of these mistakes herself, so she will be able to address them with real life examples.
