

Program: “PROBLEM CHILDREN”

It sometimes happens that a crochet or knitting project is finished, but is not quite right. Perhaps the sleeve cuffs are too droopy or you have to tug at a neckline that keeps riding up or down. This is a chance to bring projects that could use the wisdom of the group to become so much better. Also, bring unfinished items, on which you just can't seem to get back to knitting or crocheting. We will discuss how to find a lost pattern, determine the needle size of something stored on a stitch holder, how to amend a pattern when you have run out of yarn and much, much more.
