12:00:23 From Mary Beth Kelso : Bye, Robin!

12:02:41 From Mary Beth Kelso : I got these sort of by accident at first, not realizing that they didn't seal completely, but I'm using them for the largest sizes:

12:03:57 From Mary Beth Kelso : Those were from Staples. Then I went to Amazon for these. They *almost* seal, but I put tape in the gusset corners for the smallest sizes:
